Janice Ball  
Administrator  
Pilot Point Electrical  
P.O. Box 470  
Pilot Point, AK 99649-0470

Dear Ms. Ball:

On December 3, 2020, the Commission approved updated **Permanent** Power Cost Equalization (PCE) amount(s) in cents per kilowatt-hour (¢/kWh) for Pilot Point Electrical (PILOT), for the listed classes of customers as follows:

All	39.37¢
-----	--------

The revised PCE amount(s) result from the review of PILOT's Fuel Report filed on October 26, 2020. The PCE amount(s) are effective for bills rendered on or after December 4, 2020. A copy of the Commission Staff's recommendations and schedules are attached as an Appendix.

PILOT is reminded of its obligation under the PCE legislation to provide its customers with the notice specified in AS 42.45.120 or similar notice approved by the Alaska Energy Authority.

PILOT is also reminded of its obligation under 3 AAC 52.620 and 3 AAC 52.640 to notify the Commission of any change in its rates, surcharges, fuel costs, and/or efficiency of operation, and advises PILOT that a failure to comply with those reporting requirements could jeopardize continued participation in the program.

If PILOT believes that the calculation used to establish the PCE amount set out above is incorrect, it should seek reconsideration setting forth why it believes the calculation is in error. Any reconsideration request must be submitted within 15 days of the date of this Letter Order.

If you have any questions regarding the calculation of PCE amount(s), please contact Utility Financial Analyst Brenda Cox at (907) 263-2131.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
